

ANZ – Night & Day House | Wellington | We're experienced in Banking

ANZ – Night & Day House | Wellington | We're experienced in Banking

Furniture was supplied to 14 floors and staged over the period of 12 months. Precision supplied and installed a total of 700+ workstations (1800x1800 and 120 Degree user adjustable desks), accompanying accessories, storage, tables, and custom designed pod cable management system and team identification boards.

This project was completed in August 2006 and included Contact centre and Business unit occupancies.

- The Contact centre floor consists of 1400 x 1400 120 degree desks, and 1800 x 1800 desks for managers, including adjustable CPU holders, LCD monitor arms, cable trays and custom pod management system with team brand boards, screens (curved), shelves and mobiles
- The Business unit floors consist of 1800 x 1800 height adjustable workstations, desk mounted screens, cable trays and shelves.

We still continue to supply ANZ National Bank with furniture and work in a number of their national sites.
